Re-opening Up-Date:

Although our church building is still closed, preparations are underway so that we will be ready to implement Phase 2 of the Scottish Government's route map for coming out of lockdown.

When Phase 2 is announced we can expect:

'Places of worship open for private prayer under physical distancing rules and hygiene safeguards. Marriages and other type of ceremonies to take place with minimal number of attendees.'

Parishioners will be kept up to date with information about the re-opening of our church through this newsletter and the parish website. When the Facebook group has been formed this will be another way of communicating and sharing.

Parish Website: Jo Noblett is looking for photos for the website. If you have any scannable photos of the interior or exterior of St. Anthony's that you would be happy to have put on the website please could you email Jo at jo.noblett@yahoo.co.uk
