## Pavement Parking Prohibition

Scotland-wide parking legislation introduced in December 2023 means it is now illegal to:

- **Park on pavements**
- **Double park**
- **Park at dropped kerbs used for crossing points**

Enforcement of this national legislation in Stirling will start on 15 July 2024. Penalty Charge Notices of £100\* will be issued to vehicles caught breaking the rules (\*reduced to £50 if paid within 14 days).

Pavement parking is unsafe, unfair and illegal. Please help us keep Stirling moving by parking responsibly.
